## **COUNCILMAN DAVE WEAVER INTRODUCES MAJOR RECORD LABEL TO GLENDALE**

*Star-studded Event Hosted by TYAD Music Group, California's Newest Major Music Label*

GLENDALE, CA April 8, 2007—On the evening of Monday, April 16, 2007, at Glendale's Hilton Hotel, Councilman Dave Weaver and TYAD Music Group (TMG) will be hosting a star-studded event in celebration of Dave Weaver's re-election victory and the arrival of this major record label to Glendale.

Weaver had the personal vision to bring TYAD Music Group to the Glendale area to house the headquarters of six of their nine record labels. With nine genre-specific labels under the TMG umbrella, top music industry veterans, nightclubs that mirror the labels, a film company, and a massive national and international distribution network already set in place, TMG is the newest major label music group in the industry.

The offices in Glendale will employ 400-plus people, and with a payroll of \$57 million, and 2007 - 2008 revenues projected at \$2.5 billion, TYAD Music Group will be the third largest corporation in Glendale, following Disney and DreamWorks. TMG will bring visibility to the fine city of Glendale through "household name" artists, media contacts, and live events, along with having a major positive effect on Glendale's local economy.

Glendale is being called "the new Beverly Hills" and Monday's event, complete with a plush red carpet, live entertainment, and 600 invitation-only guests, confirms this. Invited guests include, a virtual *Who's Who* of Hollywood stars, local and state politicians, and top names in the music industry. This celebration is the first of its kind hosted by any city official in the Glendale area.

For more information about this event, please contact [shea.chambers@tyadmusicgroup.com](mailto:shea.chambers@tyadmusicgroup.com). For media inquiries, e-mail [lisa.boush@tyadmusicgroup.com](mailto:lisa.boush@tyadmusicgroup.com).

###

TYAD Music Group is a fully staffed music and entertainment entity and the parent company to several record labels, a production company and TMG Publishing, which has been established to oversee some 4,000 titles within the TMG catalog. TMG owns nine distinct, genre-specific record labels, each headed by leaders in the music community.
